Subject: New Lowe's Canada Bulk Distribution Centre in Rocky View County, Alberta

Dear Supplier Partners,

We are excited to share that we are set to open our new distribution centre, located at 111 Lowe's Road in Rocky View County, Alberta, in early October. Announced in June 2020, this ambitious built-to-suit 1,230,000 sq. ft. facility is part of our plans to optimize our Canadian distribution network to better meet the customers' needs and expectations.

The new facility will handle the big and bulky items and will consolidate existing inventory from Hopewell Distribution Center (DC 75), Great Plains Distribution Center (DC 76), V3 warehouses, RONA DC 73, and the Oxford Distribution Center (RDC 3112), which will simplify your daily logistics.

Note that at target state, two DC's will be servicing our stores in the West: Rocky View Bulk Distribution Centre (X4) and the Calgary Regional Distribution Centre (DC 83) located at 2015, 60 Street SE, Calgary. Note also that the Crossfield lumber yard is not impacted by this change.

Action to be taken: If you are currently supplying our West DCs, or if you are aiming to do so in the near future, we invite you to code this new location into your IT systems prior to October.

We will keep you informed on the building's development, adjusted logistics and next steps this summer. If you have questions or concerns, please contact suivi.fournisseur@rona.ca.

Best regards,

A handwritten signature in blue ink, appearing to read "V. Poitras". The signature is fluid and stylized, with a large initial "V" and a long, sweeping underline.
